## We dedicate this book to:

*Our mothers, Kit and Marie, for encouraging us to cook from a young age, even when it meant cleaning up a big mess after we were finished.*

*The wonderful hardworking organic growers of Nelson who nourish our families - Wolfgang, Brent, Suzie and their teams.*

*The many teachers who inspired us over the years as we learned about food, natural health and happiness including Holly Davis, Airdre Grant, Mareko Kasugai, Harada Tangen Roshi, Masao Kumagai, Glenn Dentice, Maggie Blake, Sonia Moriceau and Sharda Rogell.*

## Acknowledgements

*The photography sessions were fun! Our profound thanks to Dan for being so relaxed and generous with his time and talent, also to Content kitchenware store in Nelson for supplying everything we needed to present our food beautifully. Thank you also to Jane for guidance with our writing.*

*We would also like to extend our gratitude to Gabriel's babysitters, especially Nana Ree, 'Aunty' Fran and Dodda, who provided us with many childfree hours for recipe-testing, photography and writing.*
